

Physiotherapy Direct Access Service

All ADULT patients can now access physiotherapy assessment directly without the need to see your Doctor if you have a musculoskeletal problem (muscle or joint problem, i.e. neck or back pain, shoulder or knee) This is a new drop in service which is held at Cedar Unit, County Hospital, Coed-t-Gric Road, Griffithstown, NP4 5YA which is open Monday to Friday 9.00am to 11.30am.

It is on a “first come first served” basis, no phone appointments are possible you need to attend in person. You will be asked to complete a self-referral form prior to any assessment.

Eye Problems

Did you know that many Specsavers stores can also help you manage more complex eye health conditions, such as pre and post cataract surgery care, diabetic retinopathy and glaucoma. In selected stores, these services are delivered on behalf of the NHS, so there is no cost to you. There is no need to see your Doctor you can attend a Spec Saver stores for further advice
